

Sail Plane Gliding!

Patient
Activity

Southern California Soaring Academy

The Only Soaring Site in Los Angeles County

What: Experience the freedom and thrilling experience of flying in a Sail Plane. You will be provided a ride to an airfield located in Southern California's High Desert, about 3 hours from San Diego. Here you will be given the chance to soar with an instructor in a high performance glider! Food will be included in this all-day activity.

Date: The 4th Thursday of each month!
Thursday, May 24th & June 28th, 2012
0800 : Leave NMC, front of Bldg 26
1100: Arrive to Airfield
1200-1500: Soar
1800: Estimated return time to NMC

Who: Wounded, Injured, or Ill Service Member, plus spouse.

This activity involves accelerating and descending in a non-pressurized cabin at rapid pace, up to 14,000 feet. Must be medically cleared to attend. Also must be able to bend knees at a 90 degree angle. Wheelchairs OK as long as patient can transfer. **Medical Clearance Required!**

Where: Crystalair Airport, located in Llano, California

Transportation: Will be provided

Spots Available: 7

Club Vision:

Give back to those who have given most:

Provide IOF/OEF wounded servicemen and women with the opportunity to experience the quiet beauty of motorless flight.
